

SAFETY DATA SHEET

March 2016

Product:	Instant Snow 100g Tub
Supplier Code:	79900
Description:	Super absorbent polymer which expands (approx 100 times volume) with the addition of water to produce a snow-like material.
Composition:	Acrylic Acid, Polymers, Sodium Salt (Sodium Polyacrylate) CAS No. 9033-79-8
First Aid:	In case of contact with eyes, flush with clean water and seek medical attention if irritation persists. If granules are ingested or inhaled, seek medical attention.
Safety Information:	<p>This product is based on a superabsorbent polymer, sodium polyacrylate. It is a safe, non-toxic material and is not harmful to the environment. However the following precautions should be noted:</p> <ul style="list-style-type: none">• This product is not a toy.• Use only under adult supervision.• Do not ingest or inhale.• Avoid contact with eyes.• Do not use on surfaces which may be damaged by water.• Product becomes slippery when wet.
Toxicity:	<p>Skin Contact: No irritating effect Eye Contact: Particles of dust may cause irritation Product conforms to <i>EN 71-3:2013 Safety of toys: Migration of certain elements</i></p>
Handling/Storage:	Wash hands after use. Avoid contact with food products. Store in a sealed container in a cool and dry location, and out of the reach of children.
Cleaning:	Clean spills with a broom or vacuum cleaner. To avoid blockages, do not allow product to enter household drains.
Age suitability:	Not suitable for children under 3 years, Contains small parts which may represent a choking hazard. This product is not a toy. Always use under adult supervision.
Edges, Points:	The product features no sharp edges/points/hazards
Extinguishing:	<p>In case of fire, suitable fire extinguishing agents: Extinguishing powder / Foam / Carbon dioxide / Water spray</p> <ul style="list-style-type: none">• Thermal decomposition above 200°C gives rise to toxic products; organic vapours, carbon monoxide
Product EAN-13:	5060098476724
CLP regulations:	No materials classified hazardous, no hazard labels required.
